

# YVONNE'S SCHOOL OF DANCE

March  
Newsletter 2011

## Costumes

Costumes will be sent home once the costume balance has been paid for in full.

**They must all be signed out by a parent.**

Accessories that go with each costume are sent in a separate plastic bag and put in with the costume in its original bag. Please make sure that you keep your accessories with your child's costume.

They will need them for the pictures and for the recital. Too many times student's come to the picture shoot and to the recital with no accessories because they are **"somewhere in the house"**.

This or course upsets the student and takes away from the complete look that all students have when they are up on stage.

Avoid this by taking the time to keep all your child's costumes together.

## Recital Pictures

Your child's recital picture schedule will be sent to you the middle of March. The schedule will be given to each student; however it will also be available on the website for your future reference.

### **NEW THIS YEAR!**

If you remember at last year's recital we show film clips of our students during the dance year for the ½ hour before the show starts and also at the finale.

This year we will include each classes group photo up on the screen.

**Dates for Pictures are:**

**Sunday April 10<sup>th</sup>, Thursday April 14<sup>th</sup>  
& Friday April 15<sup>th</sup>  
Picture sales will be Friday April 29<sup>th</sup>**

## Rehearsal Date Change

The date of the stage rehearsal has been changed to

Tuesday May 10th

Please note this date on your calendar

Schedules and times will be given out prior to this day and will also be posted on the Website.

## Recital Tights

We guess on tight sizes for each student as having each child try on tights would take too long.

Please make sure that you try the tights on and if the size is incorrect return it to us the following week for the next size.

In some cases we have to order sizes and do not want to take a chance on them being back ordered so make sure that you make us aware of the size change immediately.

**Note:** *As stated in the costume care paper that goes home with the costumes, we do not size tights so they will fit the child for the next 10 years. Please do not return them if that is what you want.*

Students cannot go on stage with droopy baggy tights.

## BOOSTERS

Send in all your child's boosters this month. Remember to note the section that you want your child's picture to be placed in:
