## Volunteers Wanted!

Each year at our annual performance we seek to make the backstage experience for our dancers of all ages as positive, safe and enjoyable as possible.

In order to do this, we need parent helpers to volunteer in assisting with bathroom visits, keeping the class together, and getting the dancers ready when it is their turn to perform. You will also be with the class to escort them to and from the stage.

You will be with the children from your child's class for the entire time of the show and be in the wings while they

perform so you see them up close and personal!

Backstage volunteers do not buy a ticket to the performance.

Signup sheets will be available in March and a meeting for all volunteers will be held in April. It is on a first come first serve basis.

We do not need volunteers for all classes. So wait for the form with the listing of classes we need the volunteers for.

Note: We do not want up and down in the audience at all this year. Student's that will be assigned backstage **DO NOT** need any changing assistance from moms, and we ask for your cooperation in this matter as we strive to make the show less distracting for the audience as well as the performers.
