YVONNE'S SCHOOL OF DANCE NOVEMBER NEWSLETTER 2010

Coloring Pages

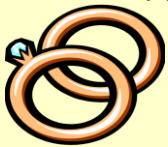

Our pre-school and kinder dance classes are sent home with coloring pages during the month. These pages relate to a step or movement that they have been taught that week.

Encourage them to say the word and possibly show you the step. Don't get discouraged if they do not remember exactly what they were given. Many times students relate to their dance steps in the "studio atmosphere".

They get accustomed to doing the steps with their classmates, watching themselves in the mirror and with the music etc. It all comes in time.

CONGRATULATIONS MISS LAUREN

Miss Lauren was recently engaged. I remember Miss Lauren in her first dance class (she cried) but she obviously stayed with it. Miss Dawn & I were part of her sweet 16, her graduation and many of her family events. We are looking forward to her wedding and wish her and Matt much happiness.

Reminders to Parents

1. If you are not receiving your newsletter or billing statement check with Lyn that we have your correct email address.
2. All students' names must be in their dance shoes.
3. Please make sure shoes are sent in some type of dance bag, backpack etc. Do not send student's with shoes in their hands.
